

Padres a Padres

A Note of Thanks & Farewell

The Parent to Parent program has seen many changes over the past few months. Moving our offices to the Dan Godwin Community Center has been one and saying farewell to Marcela Jiménez another.

Marcela has been the Parent to Parent Latino Community Coordinator for the past three years. It has been mine and Melissa's pleasure to work with her. She has been an asset to the Latino community and our program. We would like to thank her for her time with the Parent to Parent Program, her dedication and all of her hard work. The Latino Program has grown by leaps and bounds. Thank you Marcela! You will be missed!

Thank you,

It was a great pleasure working for the Latino families at the Padres a Padres Program and at The Arc for almost three years. It was an amazing experience that helped me grow as a person and as a professional.

I recently accepted a full time job and I feel sad to leave the program. It was beautiful to see the Latino family's participation in the events, in workshops and taking time to share together as a family. I hope you continue in the program and taking care of your children.

I am happy that Martha Mejia is in charge of the position now. I am sure she will do a great job because she is a hard working Latino mom who has been in the program for many years.

Thank you to all the parents who were always available and to the wonderful people at Parent to Parent, WCEL and The Arc for your support when I needed it. But most of all, thank you to the children for being the most important part in the program. I will miss you all!

With admiration and respect,

Marcela Jiménez

Introducing our new Latino Community Coordinator

Parent to Parent wishes to welcome Marta Mejia. We have had the pleasure of knowing Marta over the past few years as a Helping Parent and know, without a doubt, she will be a great addition to our program.
